

REMARKS

In response to the Examiner's drawing objections, Applicant has amended the description to reference characters "51" and "52". Regarding reference character "43", Applicant respectfully draws the Examiner's attention to page 14, line 17 and requests reconsideration of the corresponding drawing objection.

Claims 23-50 are pending. The Examiner has allowed claims 40-48. Applicant has amended claims 23, 30, and 49 to include the term "plunger." As a result, all of Applicant's claims should now be allowable.

Claims 32-36, 39, and 50 are subject to restriction and/or election requirement. However, the Examiner had previously determined claims 23, 29, 30, 31, and 49 to be generic. Should any generic claim be allowed, Applicant respectfully requests the Examiner rejoin any nonelected claims which depend from or includes all the limitations of the allowable generic claim.

Applicant respectfully requests the Examiner to pass this application to allowance. If the Examiner should have any questions, he is invited to contact Applicant's representative as set forth below.

Respectfully submitted,
